

Benefits of the Printhead Protection Program

- Increase printer uptime & maximize productivity
- Cut printhead and overall supply costs
- Ensure consistency
- Speed savings with simple enrollment
- No need to ship printers out for maintenance

How it Works

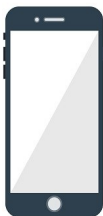

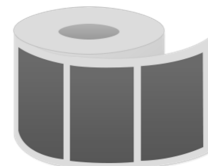

Contact Antibus and ask about our Printhead Protection Program

Simply commit to a label print volume of Zebra Certified Supplies

Continue to use Zebra Certified Supplies to continue receiving replacement printheads

Contact our Antibus Sales Department to start the process of getting a replacement printhead

Need help with the install?

Contact our Service Department to schedule a service call

Contact Antibus today for more information
