

Benefits of RFID Consulting

RFID is not an off the shelf solution.

Productivity and efficiency gains can be easily lost in poor design, incomplete integration, or missed opportunities. Our service will improve the speed, cost, and probability of success of your RFID project. By focusing on RFID Assessment & Design, Antibus can optimize your RFID project regardless of the scale.

Steps:

1. Schedule a meeting with our RFID Specialist
2. Schedule a demo of what our RFID equipment can do for you
3. RFID test with your equipment for a proper look at the application

RFID Options:

RFID Readers (handheld and fixed) - RFID readers and RFID-enabled scanners help you achieve maximum visibility into your company's assets. We can figure out the best option.

RFID Labels - RFID labels and tags meet the requirements of most applications and budgets.
